SERVINGS: 8 PREPPING TIME: 10 MIN COOKING TIME: 18-20 MIN

Ingredients

1 cup self-rising flour
1 cup sugar
1/2 cup cocoa powder
1 stick butter*
1 egg
1 teaspoon vanilla
pinch of salt

Directions

1. Preheat the oven to 350°.
2. Place butter in a round cake pan and put it in the oven while the oven is preheating to melt (remember, we didn't have a microwave or Pam®).
3. While butter is melting, mix dry ingredients.
4. When butter is melted, remove it from the oven and swirl it around the pan to coat.
5. Add melted butter to dry ingredients along with egg and vanilla. Stir. Batter will be very thick.
6. Pour into the buttered pan and bake for approximately 18-20 minutes.
7. Test with a toothpick.
8. Enjoy!

**If you use salted butter, the brownies will have a touch of salt taste around the edges. Yummy.*
